Dear Mary;

Enclosed is my check # 1566 in the amount of \$1385.00 for the installation of my fence. I want to commend the two gentlemen who installed my fence yesterday. Even though it rained most of the time during the installation, they continued their work, were very courteous and did an excellent job. You should be proud to have these two gentlemen represent Dave's Fence.

I have really enjoyed my relationship with everyone at your company and will recommend you to all who may be interested in your product. Thank you for everything. Have a wonderful day.

Sincerely

Frank J. Boyd
